Dear Ms. Dewes:

Please accept this letter as a formal request for a records search for the above referenced property under the Freedom of Information Act. This request comes as part of a Due Diligence effort being performed by Baker Properties L.P. on this site which we currently own.

We are interested in any and all information concerning hazardous waste, spills, releases, soil and groundwater testing results, and any other pertinent information that has been submitted to the DEC by or on behalf of Magna Metals et al, Tetra Tech FW, Inc., or any other entity, regarding the environmental condition at this site. We request this as part of a department-wide records search as far back as your records go.

Your timely response is appreciated. If you require additional information, please do not hesitate to contact me at (800) 225-3726. Thank you for your consideration regarding this matter.

Sincerely,
